# Amor, Amor

Say, "1 and 2 and 3 and 4 and," slowly and evenly and repeat for each measure.

> **Single-digit numbers in large font tell what fret a note is played on the first string. Decimal numbers in large font tell what fret a note is played on the second string. Examples:**
>
> **0 = Play the first string open;**
> **2.3 = Play the note on the third fret of the second string.**
